## CHANCELLOR'S ASSOCIATES

A publication exclusively for Chancellor's Associates  
at the University of California, San Diego

Spring 2016

### Top of the Class: Annual Awards To Fete Outstanding Scholars

**FOR** more than 40 years, UC San Diego Chancellor's Associates has recognized the university's most exemplary teachers and researchers through the Faculty Excellence Awards. This year is no different. Six outstanding teachers, researchers and community leaders

Terry August

will be honored at the annual awards event, which takes place from 5:30-8 p.m., Thursday, April 14, at the Sanford Consortium for Regenerative Medicine.

The evening will be hosted by Faculty Excellence Awards Selection Committee Chair Karen Garsson '88 and will include brief video profiles on each award recipient, as well as the presentation of citations and \$2,500 awards by Chancellor Pradeep K. Khosla.

This year's honorees include:

**Elsa Cleland, Ph.D.**

Associate Professor of Ecology,  
Behavior and Evolution  
*Excellence in Undergraduate Teaching*

Cleland exemplifies commitment both to undergraduate mentorship outside the classroom and to diverse students.

**Terrence August, Ph.D.**

Associate Professor of Innovation,  
Technology and Operations Management  
*Excellence in Graduate Teaching*

August is known for his enthusiasm, knowledge and ability to clarify difficult concepts.

**David O. Brink, Ph.D.**

Distinguished Professor of Philosophy  
*Excellence in Research in Humanities  
and Social Sciences*

Brink is an internationally recognized scholar in the foundations of ethics, history of moral philosophy and philosophy of law.

**Darwin Berg, Ph.D.**

Distinguished Professor Emeritus  
of Biology  
*Excellence in Research in Science  
and Engineering*

Berg is a world leader in neurobiology, specifically in nicotinic signaling in the central nervous system.

**Teddy Cruz, M.Des.**

Professor of Public Culture  
and Urbanism  
*Excellence in Community Service*

Cruz is an influential architect who has created programs to foster collaboration between UC San Diego and the regional community.

**Anya Gallaccio**

Professor of Visual Arts  
*Excellence in Performing and Visual Arts*

Gallaccio is a world-renowned sculptor whose work transforms the nature of its medium.

We hope you will be able to join us in celebrating the important contributions of the university's most exemplary members. RSVP to [ca@ucsd.edu](mailto:ca@ucsd.edu) or visit [chancellorsassociates.ucsd.edu](http://chancellorsassociates.ucsd.edu) for more information.

2 Message From  
The Chancellor

3 Donor Spotlight  
Judith Morgan

### Celebrating 50 Years of Chancellor's Associates

**ESTABLISHED** in 1966, Chancellor's Associates has helped UC San Diego achieve extraordinary success over the past 50 years. Your gifts have established nine Chancellor's Associates Endowed Chairs to help recruit and retain renowned faculty, have assisted with scholarship support for ambitious and deserving students, and have funded cutting-edge research projects that transform our world and the way we live.

Now, it's time to celebrate! In honor of our golden anniversary, Chancellor Pradeep K. Khosla will host the annual Donor Recognition Celebration at the Audrey Geisel University House on Wednesday, June 22, 2016. Please save the date for this special opportunity so we can honor and applaud you, our Chancellor's Associates. More information will be forthcoming.

## Message From the Chancellor

**AS** one of the top 15 research universities worldwide, UC San Diego is a catalyst for change, sparking discoveries that advance society and drive economic impact. Our stellar faculty continually play an integral role in our ability to have this type of profound impact.

As you'll see in the cover story, the Chancellor's Associates Faculty Excellence Awards winners clearly exemplify the collaborative and exceptional nature of our faculty. They are outstanding teachers, researchers,

innovators and community citizens. Their work, like the work of all our scholars, keeps UC San Diego at the forefront of academic excellence, helping to shape new leaders, pursue cutting-edge research and enhance vital services.

We are extremely fortunate to have them on campus and to have generous friends like you, our Chancellor's Associates donors, to support them. For 50 years, Chancellor's Associates has been an important part of the Triton family, helping transform UC San Diego from an

upstart university to one of the top-ranked public research universities in the nation.

Thank you for your ongoing support. Your continued generosity, loyalty and vision help us lay the foundation for our future.

With kind regards,

Pradeep K. Khosla, Chancellor  
University of California, San Diego

## From Your Chancellor's Associates Chair

Linda Masters

**I** have been having a wonderful year learning and seeing friends at UC San Diego. I hope that you have enjoyed our programming, as well.

Have you had a chance to bring a friend to an event or activity this year?

As you know, our goal is to double the size of our Chancellor's Associates group this year, and, with your help, we can! One way we can reach this goal is to each invite just one friend, colleague or family member to join us. In fact,

this year we have 50 new donors who have joined our circle. These friends bring more of the community even closer to the university and all of the benefits that it offers San Diego.

Our new friends have joined us at an auspicious time. This year marks the 50th anniversary of Chancellor's Associates. Since 1966, our group has been an important part of UC San Diego's journey to become a world-class campus of distinction. I hope that you will all join me at the 2016 Chancellor's Associates Donor Recognition Celebration on June 22 at the Audrey Geisel University House, the Chancellor's home, to learn more about how we plan to celebrate this happy milestone.

Best,  
Linda Masters

## An Inside Look: Faculty Excellence Awards Selection Committee

**EACH** year, a small group of Chancellor's Associates comes together to review the nominations for Faculty Excellence Awards and determine the winners. This year, six Chancellor's Associates took on this challenge, including three UC San Diego alumni, all with backgrounds in a wide range of professional fields.

Under the leadership of Selection Committee Chair Karen Garsson '88, the process moved fluidly and efficiently. Each committee member had the opportunity to ask incisive questions, to use a sample nomination rubric for evaluating each nominated faculty member, and to have an inclusive discussion about nominees before choosing award winners who demonstrate their devotion to excellence in teaching, research and service.

A special thank you to Garsson and the rest of our outstanding 2016 Selection Committee: Walter Eckhart, Marsha Korobkin, Andrew Tess '06, Danielle Valenciano '97 and Caroleen Williams. The Chancellor's Associates team greatly appreciates your thoughtfulness and collegiality.

If you would like to volunteer to serve on the 2017 Faculty Excellence Awards Selection Committee, please contact Emily Jerome at **(858) 822-2540** or [ejerome@ucsd.edu](mailto:ejerome@ucsd.edu).

## Donor Spotlight: Judith Morgan

**FOR** 50 years, Judith Morgan and her late husband, Neil, followed the development of UC San Diego as journalists, while getting to know the faculty and the growing university. Judith wrote about the first class of undergraduates, who arrived on campus in 1964, and has remained closely connected to the university as a member of the UC San Diego Foundation board of trustees.

As ardent supporters of education and civic engagement, Judith and Neil donated their time and financial support to help ensure that UC San Diego fulfills the multidisciplinary vision of founder Roger Revelle, whose biography they co-authored in 1996. In 1995, the couple was presented with a Chancellor's Associates Distinguished Service medal for their outstanding contributions of time, resources and creativity. Neil was also honored in 2000 with the inaugural Chancellor's Medal, in part for his dedication to connecting the community and campus.

Last year, the couple once again showed their support for UC San Diego with the establishment of the Judith and Neil Morgan Endowed Fellowship to support up to two doctoral students annually in the fields of humanities and humanistic social sciences. The gift will help with archival or field research, dissertation support and student support in perpetuity to help the university attract and retain top graduate students.

According to Judith, the couple's long-term connection with UC San Diego reflects values important to their family: civic engagement, global citizenship and love of learning. She is also proud to be a member of the Chancellor's Associates, she says, because the group "has remained a steadfast sounding board for the chancellor, spreading the word as university advocates and providing philanthropy to projects that have made a difference between dreams and realities."

Judith Morgan

## Mix and Mingle at Our New Meet-Ups

**THIS** summer, we're launching a new program series designed to get you out and about around campus. Called Meet-Ups, the informal, quarterly gatherings will bring Chancellor's Associates together to explore UC San Diego through private tours of the Stuart Collection and Geisel Library, as well as offer opportunities to socialize, with happy hours before ArtPower! performances and more. The Meet-Ups will be in addition to our regular colloquium series, with invitations and event announcements sent via email.

We look forward to meeting up with you!

## Support for Stellar Students

**YOUR** annual support is making an incredible impact in growing the Chancellor's Associates Scholarship Program, one of Chancellor Pradeep K. Khosla's top priorities. Since the beginning of the program in fall 2013, your donations have provided more than 215 students from underserved communities with life-changing scholarships.

Many of you have had the opportunity to speak with several of these bright, ambitious scholars at various Chancellor's Associates events. For those of you who have not yet met a Chancellor's Associates Scholar, please join us for our annual Donor Recognition Celebration on June 22, where you will get a chance to meet some of these talented and deserving students.

Thank you for your ongoing support. Together, we are enabling these students to reach for the stars.

## Ensuring Excellence with an Endowed Gift

**AS** Chancellor's Associates, you are among UC San Diego's most loyal and engaged donors and have helped the university grow tremendously. Now, you have the opportunity to make a single gift or multiyear pledge that will extend your participation with Chancellor's Associates in perpetuity. With a minimum gift of \$70,000 (or a pledge of \$14,000 per year for five years), you establish an endowed gift that enables the university to build on its achievements, striving for excellence in education, research and service.

Your generosity supports undergraduate scholarships, creates faculty endowed chairs and allows the Chancellor to meet needs for exciting projects, programs and research opportunities.

For more information on how you can provide an endowed gift through Chancellor's Associates, please call Jennifer Brown at **(858) 534-3901**.

# HONOR ROLL

Thank you to our Chancellor's Associates family.

## Around Campus

### SEE THE WORLD WITH TRITON

**TRAVEL:** Feeling adventurous? **Triton Travel** provides a unique opportunity to immerse yourself in cultures around the globe. Exclusively for those with a passion for lifelong learning and exploration, these guided tours offered by the UC San Diego Alumni office are now open to Chancellor's Associates, as well as university friends and parents.

Upcoming excursions include a visit to Provence, France; cruising the Danube, Main and Rhine rivers; and exploring the cities of Seville, Malaga and Granada, Spain.

Information:  
Contact Jennifer Brown at **(858) 534-3901**.

### ANCIENT DNA AND HUMAN

**EVOLUTION:** Ancient DNA data have provided insights into the recent history of our species. In particular, methodological improvements over the past decade have advanced our ability to recover small fragments, target specific sequences, identify damage patterns and obtain genome scale data.

**The Center for Academic Research and Training in Anthropogeny (CARTA) symposium** brings together researchers at the forefront of ancient DNA research and population genetics to share insights about human migration and adaptation.

Date: April 29, 1-5:30 p.m. Location: Conrad T. Prebys Auditorium, Salk Institute.  
Information: [carta-info@anthropogeny.org](mailto:carta-info@anthropogeny.org).

### REVISIT, REDISCOVER, RECONNECT:

UC San Diego **Alumni Weekend** returns, and we have an awesome lineup of events this year to help you revisit, rediscover and reconnect UC San Diego, on campus and around town. Whether you live nearby or are coming from across the country, we invite you to bring family and loved ones to spend a weekend with fellow Tritons.

Dates: June 1-4. Location: Varies.

Information:

[alumni.ucsd.edu/alumniweekend](http://alumni.ucsd.edu/alumniweekend).

For additional events and more information please visit <http://calendar.ucsd.edu>.

For specific Chancellor's Associates events visit [www.chancellorsassociates.ucsd.edu](http://www.chancellorsassociates.ucsd.edu).
